Experience

"Health & Medicine: Registered Nurse in Cyprus & Greece; BSc Nursing; Graduate Student, MSc Health Policy & Planning; Advanced Life Support Provider, European Resuscitation Council; EVS Volunteer for the Polish Association for People with Mental Disabilities; Erasmus Student of Nursing in Spain; Papers on NFE, EVS & Health (available upon requesting).

Volunteering: Involved as a volunteer in various NGOs since my teens; involved as a trainer in the EVS Training & Evaluation Cycle (TEC) since 2005, having delivered all sorts of trainings (Pre Departure, On Arrival, Mid-term Evaluation, Final Evaluation, Mentors' training, Co-ordinators' trainings, etc); member of the Scouts of Greece advisory committee to the Greek Secretary General for Youth on the reform of the Greek policy regarding recognition and validation of volunteer and non-governmental organisations (2010); nowadays, attending a State University of New York Coursera Specialization on Nonprofits Governance, having authored 3 relevant papers, 1 focusing on the Cypriot nonprofit sector.

ICL: ICL is an integrated part of the EVS TEC; it's also an integrated part of HRE, with which I have some experience, since 2006 (the year I was certified as a HRE youth trainer, by the Council of Europe)."

Brief bio

EN Michail Drakomathioulakis has the blessing to be born in the beautiful island of Crete, Greece, and to live in the beautiful island of Cyprus. When he's not busy with providing care to patients (yes, in the real world he's a nurse and a health policy graduate student!), he tries to empower young people in chasing their dreams, and to encourage youth leaders, youth workers, youth policy makers, and other youth-related actors to provide high quality services to young people. When he has free time, he explores the rest of the world!!!

ΕΛ Ο Μιχαήλ Δρακομαθιουλάκης έχει την ευλογία να έχει γεννηθεί στο πανέμορφο νησί της Κρήτης και να ζει στο πανέμορφο νησί της Κύπρου. Όταν δεν είναι απασχολημένος με το να παρέχει φροντίδα σε ασθενείς (ναι, στον πραγματικό κόσμο είναι νοσηλευτής και μεταπτυχιακός φοιτητής πολιτικής υγείας!), προσπαθεί να ενδυναμώνει νέους και νέες ώστε να κυνηγούν τα όνειρά τους, και να ενθαρρύνει ηγέτες νεολαίας, συμβούλους νέων, δημιουργούς πολιτικής νεολαίας και άλλους σχετιζόμενους με τη νεολαία φορείς να παρέχουν υψηλής ποιότητας υπηρεσίες στους νέους και στις νέες. Όταν έχει ελεύθερο χρόνο, εξερευνά τον υπόλοιπο κόσμο!!!
